

The latest news on what's powering our neighborhoods

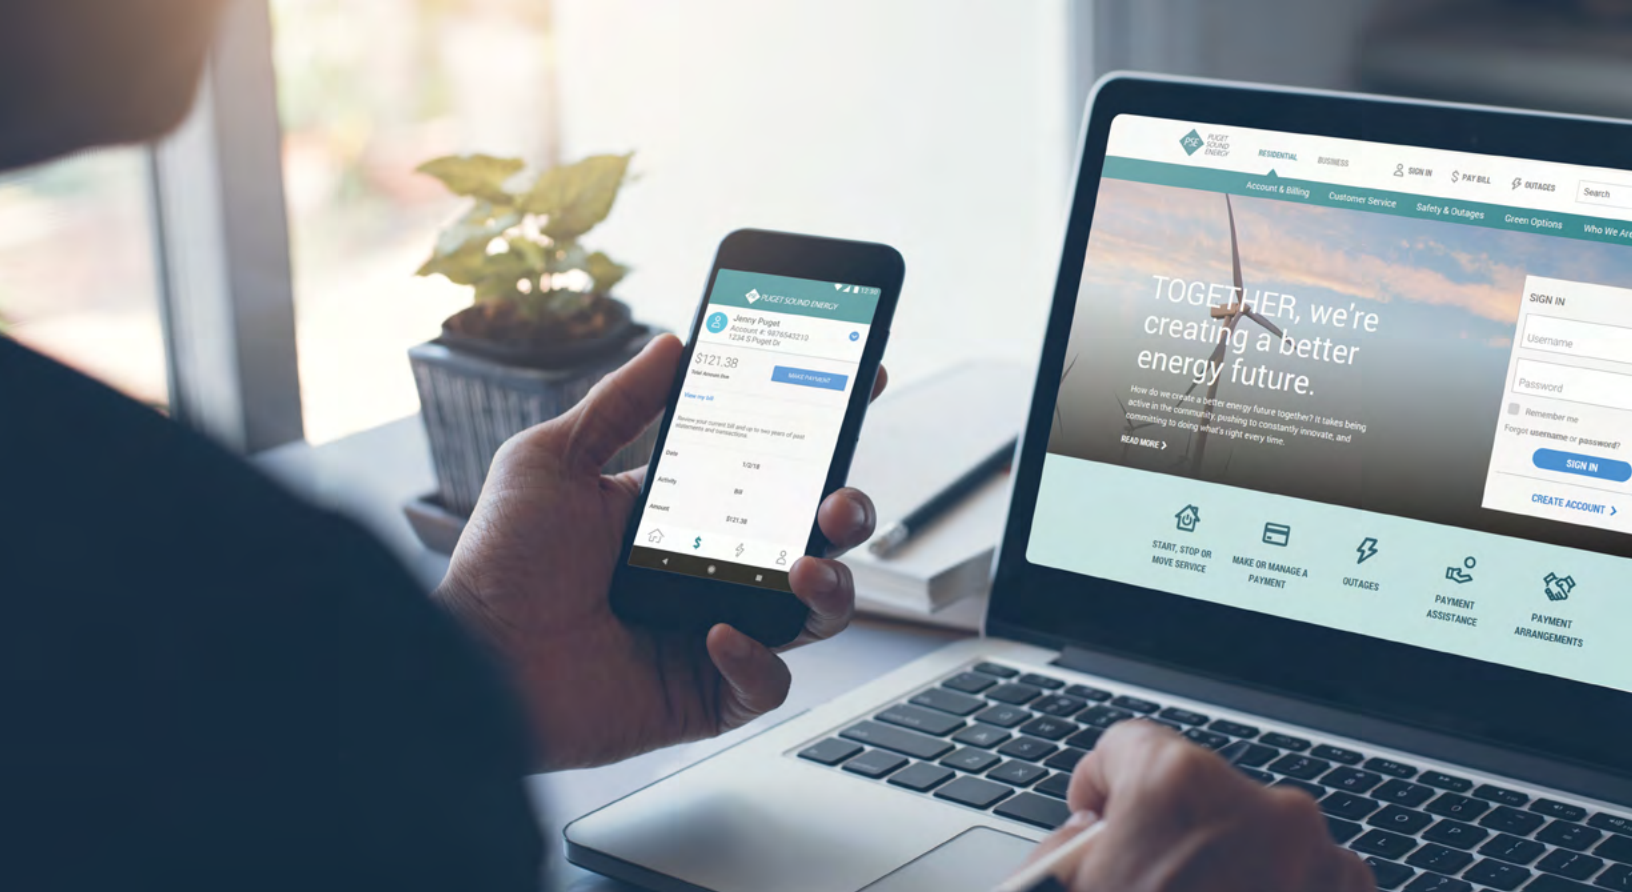

## Residential and commercial rebates for you!

Take advantage of our award winning energy efficiency programs that help save energy and money on your bill. Sign up for a free home energy assessment, upgrade old appliances, or replace an aging furnace or hot water heater. Save even more with yearly lighting programs headed your way soon. Be on the lookout for great discounts on LED bulbs! Learn how to save more by visiting [pse.com/rebates](http://pse.com/rebates).

Do you own or manage a business and make decisions about energy use? How you manage your business' energy directly impacts your operating cost.

From efficient heating and cooling systems, to instant discounts on lighting and increased incentives for smart lighting controls, to efficient kitchen and laundry equipment, you could save hundreds of dollars each year. These significant savings are worth the initial investment, and PSE eases up-front costs with an array of business incentives and programs.

The more energy-efficient you make your business, the more money you save. Find out how at [pse.com/foryourbusiness](http://pse.com/foryourbusiness).

## Save a stamp, save a tree and save time.

Switch your account to paperless billing and you'll receive your PSE bill notification by email. You can securely make payments online using your credit or debit card saving you time, postage and a tree. It's a quick and convenient way to pay your bill. There's no fee for paying online and it's available 24 hours a day, seven days a week.

Switch to paperless billing today at [pse.com/paperlessbill](https://pse.com/paperlessbill).

## How do you keep a gas system safe? “Sniff” for risks!

Every day, technicians venture out across our service area to inspect our nearly 26,000 miles of natural gas pipeline. Carrying sensitive sniffers, these techs walk over gas mains in the street and service lines that extend to your house. They check for leaks and inspect the general condition of above-ground facilities, such as meters. Our service partner, Hydromax USA, is conducting this work. You may see these employees in specially equipped white vans bearing both the Hydromax USA and PSE logos.
