If a security deposit was required for your project, this security deposit is potentially refundable upon completion of the build-out of **all** lots/phases (services added and meters installed) within five years as required by the Natural Gas Facility Service Contract. Refund requests must be made within six years from the time the initial gas main is installed. PSE will perform one security deposit review during the six-year period. If you are eligible for a refund, the refund amount will only be paid to Customer (Owner) Name as indicated on the Natural Gas Service Facility Service Contract and include applicable interest in accordance with WAC 480-90-113WAC 480-90-113.

You are responsible for making all refund requests by completing this form. E-mail the completed form to **Rule6_Refund_Requests@pse.com** or use the e-mail form button below.
