The latest news on what's powering our neighborhoods

Smart thermostat rebates now available

Saving money on your energy bill just got a lot smarter. Now you can manage your home's energy use with a smart thermostat—and receive a \$75 rebate on select models from PSE!

A wifi-enabled—or “smart”—thermostat puts home temperature control and energy management in your hands. It works with your existing home heating system and allows you to keep tabs on the temperature from anywhere through a simple online interface or mobile app. Some smart thermostat models even program themselves based on your home habits.

Heating is your home's biggest energy expense, and a smart thermostat is a great way to reduce energy use, lower your bill and maintain optimum home comfort.

How do you keep a gas system safe? “Sniff” for risks!

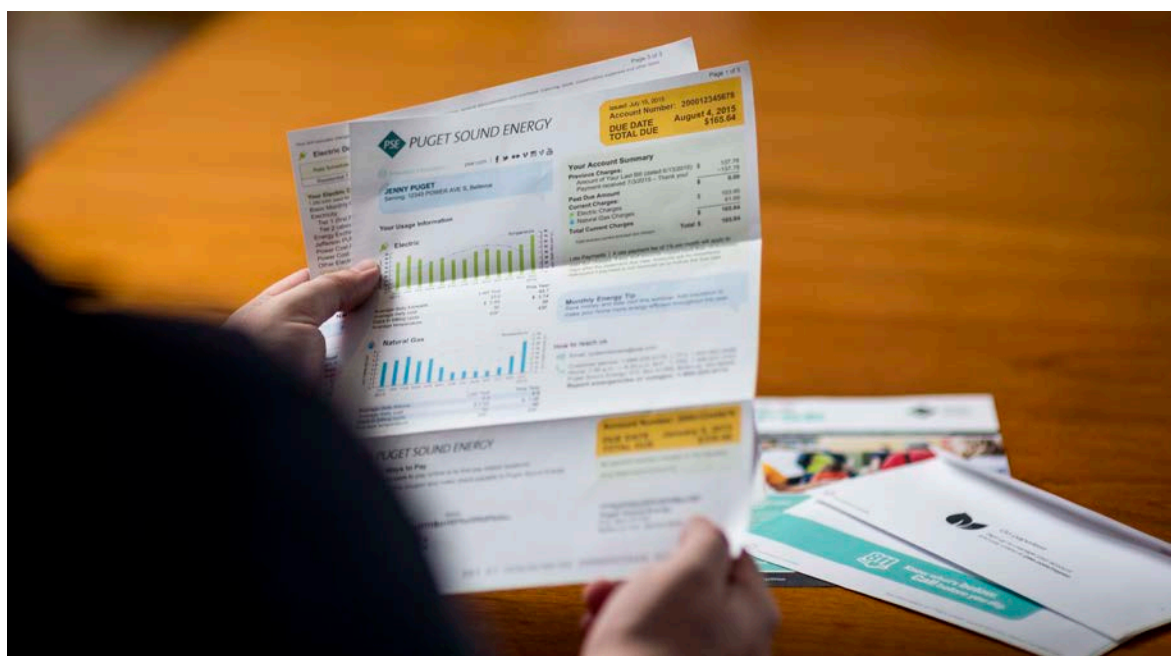

On a daily basis, technicians fan out across our service area to inspect our nearly 26,000 miles of natural gas pipeline. Carrying sensitive sniffers, these techs walk over gas mains in the street and service lines that extend to your house. They check for leaks and inspect the general condition of above-ground facilities, such as meters. Our service partner, Hydromax USA, is conducting this work. You may see these employees in specially equipped white vans bearing both the Hydromax USA and PSE logos.

You may qualify for assistance

Depending on income and household size, you may be eligible for free energy-efficient improvements to your home, and payment assistance with your heating bill. Recipients can receive up to \$1,000 in credits from the Low Income Home Energy Assistance Program (LIHEAP) and another \$1,000 in credits from PSE’s Home Energy Lifeline Program (HELP). For additional info, call **1-866-223-5425**.

Difficulty paying your bill?

If you’re having difficulty paying your PSE bill, consider setting up payment arrangements, for smaller, multiple payments over time. This can help you better manage your energy costs and keep your PSE account in good standing. Sign into your myPSE account or call us for more information.

Detail section

For natural gas service customers, City of Tacoma

The March 1 change in rates is the result of the City of Tacoma's increased utility tax. The city tax rate on your bill is 8.51%. This rate includes the effect of state and local taxes on the city tax and deductions allowed by the city.

Transmission schedules 449, 459, NETWEC:

The past month's transmission system peak occurred on February 2 at hour ending 0800.
