

## Water heater rebate application: Supplemental documentation

Below is an example of the supplemental documentation every customer needs to include with their natural gas water heater rebate application. Failure to provide the required information will result in the rebate application being placed on hold.

If you have further questions, please reach out to an Energy Advisor at 1-800-562-1482, Monday through Friday from 8 a.m. to 5 p.m.

### Installation invoice

Provide your installation invoice (example below) that includes all required information:

1. Date of installation
2. Model number of water heater installed
